THE COMPANY

Who we are

Khalid Saleh Jahaz Al Mutairi Est. is a Jeddah-based company built on trading, wholesale, supply, and manufacturing of HVAC products — refrigerant gas, compressor oils, coil chemicals, and spare parts — for procurement and plant teams across Saudi Arabia.

We trade and wholesale original refrigerants (R-410A, R-22, R-513A), refrigeration oils, Azad CoilCare+, and spare parts for major HVAC systems, and operate under C.R. 4030361431 / VAT 310402113400003. UAE trade is handled with business partner United Trading LLC, Sharjah Media City Free Zone.

FOUR PILLARS

How we do business

01 Trading

Import and trade of genuine gas, oils, chemicals, and HVAC parts to Jeddah.

02 Wholesale

Volume supply for partners, contractors, and procurement teams.

03 Supply

Refrigerant gas, compressor oils, coil chemicals, and spare parts to site.

04 Manufacturing

Product lines we stock and supply as a core business pillar.

WHAT WE SUPPLY

Gas, oils, chemicals & parts

Refrigerant gas
